

Case Study Arab Banking Corporation (ABC)

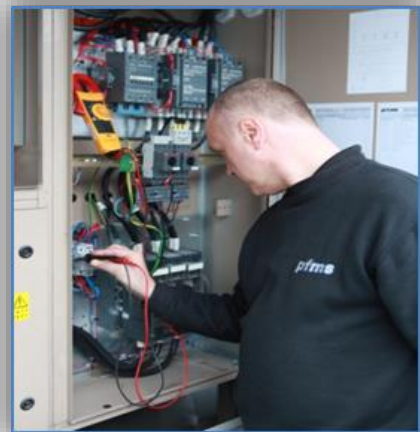

Arab Banking Corporation, popularly known as ABC, is an international universal bank headquartered in Manama, Kingdom of Bahrain. Their network spreads across 18 countries in the Middle East and North Africa, Europe, the Americas and Asia.

ABC is a leading provider of Trade Finance, Treasury, Project & Structured Finance, Syndications, Corporate & Institutional Banking as well as Islamic Banking services. They are also expanding their retail banking network in the MENA region.

The Moorgate office is a multi tenanted building including ABC, Punjabi Bank and Banco Popular. It consists of six floors plus lower ground, basement and roof. The 5th floor is primarily used for conferencing and meeting rooms with catering facilities. There is also a Dealers area located on 4th floor and 2 large Comm's rooms on the 2nd floor.

Platinum Facilities have been the M&E Service Provider for 7 years and service all Mechanical, Electrical and fabric assets within the building. Our fully qualified engineer is based directly on site and has support from our 'Central Support Team' HR, Technical, SHEQ, IT etc.

“To enhance our customer experience through creating value and delivering on our promises”
